

General Scholarships

Elaine Mills

Graduate Certificate in Safety Leadership: Griffith University

"Receiving this scholarship is important to me as will enable me study towards the Graduate Certificate in Safety Leadership through Griffith University. I have been wanting to do this course for a number of years now and am excited to finally be able to start next year, thanks to receiving this HASANZ scholarship."

Emma van Eeden

Post-Graduate Diploma in Workplace Health and Safety: Victoria University

"By undertaking a post-graduate diploma in H&S at Victoria University, I am able to continue to grow my education portfolio, network with likeminded people and build a more extensive skill set to effectively contribute to the health and safety industry."

Nicola Knobel

Master of Law: Victoria University of Wellington

"Receiving the Scholarship holds so much importance to me, not only for professional growth but also on a deeply personal level. As a solo mom, it symbolizes the opportunity to set an important example for my son. This scholarship represents not only a step forward in my career but also a chance to demonstrate to my son the importance of lifelong learning and the pursuit of one's dreams."

Pranav Thiagarajan

Graduate Diploma in Occupational Health and Safety (GDipOHS): Massey University

"I am studying the Graduate Diploma in Occupational Health and Safety through Massey University and look forward to using the knowledge and skills gained through this qualification to become a better health and safety practitioner. This scholarship will help me undertake a formal qualification that will in turn enable me to develop my skills, knowledge and expertise as a health and safety professional."

Rex Alexander

Doctor of Professional Practice: Te Pūkenga at Capable, College of Work Based Learning Otago Polytechnic

"Without Scholarship support it would not be possible for me to undertake this study, the intention of which is to develop a campaign to highlight the current injustices in the recognition and treatment of medical conditions for our emergency responders and NZ deployed Defence Force personnel."

General Scholarships

Sara Aldridge

NEBOSH International Diploma: Coachio Group

"Receiving this scholarship is important to me as the knowledge I gain throughout my study will enable me to further support the people in the hospital who do such a good job at supporting and looking after all of us when we need it."

Poutama Scholarships

Meihana Rehu

NZ Diploma in Workplace H&S Management and Bachelor of Applied Management (Occupational H&S Management major): Southern Institute of Technology – Te Pukenga

"I am deeply appreciative of this scholarship as it serves as a testament to the resilience, determination, and dedication required to navigate the demands of work, academics, and parenthood concurrently."

Women in Safety Scholarships

Deborah Cameron

Company Director's Course: Institute of Directors New Zealand

"I have a passion for workplace health and safety, with a genuine desire to see New Zealand's health and safety performance improve. Effective governance leadership is impactful on safety performance, and completing the Company's Directors' Course through the Institute of Directors NZ will enhance my professional development as I transition my focus into governance and strategic leadership."

Miriska Gerber

Company Director's Course: Institute of Directors New Zealand

"My career goals are to grow as a leader, to continue to influence not just the leaders in my business, but also other businesses in New Zealand. To be involved in creating pathways for our future H&S professionals, to mentor and coach them, and to ensure each director in this country understands the importance of H&S in the workplace. Being able to complete the Company Directors Course will enable me to do that."

Occupational Hygiene Scholarships

Winnie Ng

ICertOH (International Certificate in Occupational Hygiene): OHTA Learning

"This scholarship will provide me with the opportunity to further develop my technical skills and knowledge in the field of occupational hygiene and help me towards my goal of gaining an ICertOH."

Occupational Hygiene Scholarships

Karla Anderson

IP402 Surveying and Sampling Strategies for Asbestos in Buildings, W502 Thermal Environment: BOHS

"I am so grateful to receive support towards my lifelong journey of learning. This scholarship will help me progress towards becoming a qualified Occupational Hygienist where I can positively contribute to creating healthier work environments, one workplace at a time."

Luke Brennan

International Certificate in Occupational Hygiene: NZOHS

"The HASANZ scholarship is important to me as it gives me the capability to further my study in Occupational Hygiene and ultimately lead to my goal of becoming a Certified Occupational Hygienist."

Ravinder Singh

ICertOH (International Certificate in Occupational Hygiene): OHTA

"The scholarship will help me to achieve my career goal, working as an Occupational Hygienist. Along with funding my studies, I will benefit from mentoring, much needed practical experience and networking opportunities with industry representatives."

Sarah Denton

ICertOH (International Certificate in Occupational Hygiene): OHTA

"It will allow me to continue my education pathway in Occupational Health and Safety. My interest for occupational hygiene has grown and I want to be able to further my knowledge and skills in this area so I can provide a better service to my clients and community. I will be able to provide better occupational health advice through a stronger understanding of the exposure hazards that exist in workplaces and the community."

Thomas Watson

ICertOH (International Certificate in Occupational Hygiene): OHTA Learning

"Receiving this Scholarship enables me to further my knowledge about Occupational Hygiene through external courses. The knowledge and practical skills gained from these will allow me to improve myself as an Occupational Hygienist."

Occupational Hygiene Scholarships

Marlene Gonzaga

W506 Ergonomics Essentials or OHTA other courses: OHTA

"This scholarship will enable me to become more qualified and help New Zealand workers and businesses operate healthier and safer. The professional development opportunities of the courses will also help me to grow in my career in the occupational hygiene field."
